Coastside Teacher Sues Over Accident

Result of the first collision to occur at the intersection of the new Half Moon Bay highway and the Skyline boulevard, Agnes Miguel, coasts teacher, Tuesday sued G. W. Alpers for \$5,422.60 damages for injuries she suffered in the crash, which occurred last December 13.

In her petition, filed through Attorney Raymond Perry of San Francisco, Miss Miguel says that she faces an expensive nose operation as result of the injuries she suffered.

MAN ESCAPES AS CAR HITS TRAIN TODAY

George Lemperopulos
Of Burlingame
Misses Death

(Special to The Tribune)

BURLINGAME, Feb. 26.—George Lemperopulos, owner and manager of the Hoover Hall recreation center, Burlingame, smashed into a train here today and emerged unscathed from an accident in which his car was spun around and severely damaged.

According to police, Lemperopulos crashed into a northbound Southern Pacific train at 10:50 a. m., hitting the side of the first coach. His car was whipped around so that the train tore off the rear bumper before shunting the machine out of reach. Lemperopulos climbed out of his car without a scratch as trace of his narrow brush with death.

Lemperopulos told police that a car waiting for the train to pass obstructed his vision and that he didn't see the wig-wag signal nor the train, nor hear the signal bell. Engineer of the train was J. K. Honn of San Francisco.

A woman was killed May 17, 1935, in an accident at this crossing on Bayswater avenue. The near-tragedy was the fourth grade crossing accident in the county within less than a three-month period.

Philip Clarkin Taken By Death In S. P. Hospital

Philip B. Clarkin, 66, a resident of Redwood City for the past 33 years, a member of four fraternal organizations and a veteran of the Spanish American War, passed away shortly after noon Sunday at the Southern Pacific Hospital in San Francisco following a two-weeks' illness.

Mr. Clarkin, who was a native of County Cavan, Ireland, lived at 115 Monroe street. For the past eight years he had been employed as a flagman for the railway, being stationed at the Maple street crossing. Previous to that time he worked for 15 years for the Frank tannery.

A past chief ranger of the Court Madrone, No. 158, Foresters of America, Mr. Clarkin also belonged to the local lodge No. 418, Fraternal Order of Eagles; the Embarkadero Camp No. 256, Woodmen of the World, and the Improved Order of Redmen in Benicia.

Besides his wife, Catherine, Mr. Clarkin is survived by five children, Kathleen, Albert, John, Joseph and Philip Jr. One grandson, Ronald Paul Clarkin; two brothers and three sisters also survive.

Livingston Wife Attempts Death By Razor Slash

(Special to The Tribune)

SAN MATEO, Feb. 26.—Mrs. Georgia Livingston, 38, divorced wife of Carl Livingston, San Francisco merchant, unsuccessfully attempted suicide by slashing her wrists with a razor at her Hillsborough home at 9 a. m. today, Police Chief Claude Hirschey reported.

Friends reported that she had recently suffered a nervous breakdown, and was under the care of a nurse. It was the nurse who discovered Mrs. Livingston's self-inflicted gashes and rushed her to the Mills Memorial hospital where she was reported this afternoon "out of danger."

Police said the wounds were superficial but bled profusely. No investigation is planned.

Mrs. Livingston was divorced from her husband, member of the large Livingston Brothers firm, last year. Reached in San Francisco, Mr. Livingston refused any comment on the suicide attempt except to confirm that the pair was divorced a year ago.

HURT WALKING INTO CAR

(Special to The Tribune)

SAN MATEO, Feb. 24.—When he walked into the rear of a car driven by Wallace T. Waterhouse of San Mateo, Michael H. Laler, also of San Mateo, suffered a strained back Saturday night for which he required first aid treatment at Mills Memorial Hospital.

Tractor Man Hurt As Rain Causes Slide

More Damage Is Done
To County Roads;
No Relief Seen

Deluged for almost two solid weeks by storms of near-record proportions, rainsoaked hillsides of San Mateo county continued to slide down onto roads over the week-end, resulting in crews from the county engineer's office fighting the over the two-day holiday to keep the arteries open to traffic.

One tractor driver of a crew working on the La Honda road, Clarence J. White of Seventh avenue, North Fair Oaks, was injured by a rock which crashed down in a slide just behind his tractor.

The rock bounded down the hillside, striking White on the head, inflicting a severe gash. He was rushed to a Redwood City physician by Ed Marliave, foreman in charge of the crew. After treatment he was taken to his home. The accident happened about 2 p. m. Sunday.

EARTH FILLS DROP

Besides slides on the La Honda road, two serious ones occurred on the Alpine grade about two miles east of the Skyline boulevard; five or six in the Harkins Hill section of the Memorial Park road between the Alpine grade and Memorial Park; and several on the Kings Mountain road, County Engineer U. S. Marshall reported today.

In addition, a number of fills have dropped, he said. Largest of these was one about 40 feet long and 10 feet wide on the La Honda-San Gregorio road about a quarter-mile from Peekaboo Inn, the engineer reported. He said it dropped down about 30 feet. Repairs probably will have to be in the nature of a rock fill, he said.

PESCADERO CREEK HIGH
Several fills and culverts have been washed out by the rain, but bridges have withstood the torrents running under them.

Pescadero creek was reported to be at the highest stage seen in 16 years.

Damage to the county roads probably will approximate \$25,000, Marshall said.

In addition, power companies suffered considerable damage when falling trees and slides brought down high tension wires in several localities.

MANY AUTOISTS OUT

Despite danger from falling wires and slides, many autoists were travelling the tortuous mountain roads during the day yesterday. All county roads were kept passable.

No immediate relief was seen from the storm when the weather bureau predicted "occasional rain tonight and Tuesday."

The week-end fall brought .84 inch of rain to Redwood City, raising the total to 15.93 inches for the season, as compared with 12.20 inches at this time last year.

Elsewhere throughout the state thousands of dollars in flood damage was recorded.

Magnificent Obsession Tonight and Saturday

Stating that the picture has positively broken all attendance records during its week run, the management of the Redwood Theatre today announced that "Magnificent Obsession" will complete its phenomenal showing tonight and Saturday. There will be a continuous show Saturday starting at 1:30.

Man Nearly Scalped In San Carlos Crash

Bernardi Corrozz, 37, of San Francisco, was nearly scalped in an automobile accident which occurred at 8:10 o'clock Sunday in San Carlos. His car collided head-on with one driven by Rex Helmer, 52, of 135 Roger street, Redwood City.

Thirty stitches had to be taken in Corrozz's scalp, San Carlos police reported. He was treated in Redwood City then taken to Mills Hospital in San Mateo.

To keep water from running off into gullies, thus robbing land of moisture, government engineers have devised shallow, level ditches on the contours of hills.

LLOYD APPEARS IN SEQUOIA FILM

Harold Lloyd, Verne Teasdale and Helen Mack as they appear in Lloyd's latest comedy riot, "The Milky Way." On the same bill will be "King of the Damned," starring Noah Berry and Conrad Veidt. This twin bill opens at the Sequoia Theatre Sunday for three days with a continuous show Sunday starting at 1:30.

MENLO PARK NEWS

Mrs. Hans Agard has returned to her home after a long illness. This will be good news to her numerous friends in Menlo Park.

Mrs. Fred Worrell suffered severe burns Tuesday when an explosion took place in her kitchen stove, causing her clothing to catch fire. Mrs. Worrell will be confined to her home for some days.

The city election takes place next April and already many candidates are mentioned for the respective offices. There are two trustees, a clerk and treasurer to be chosen. The election is to be hotly contested.

Menlo Parlor, Native Sons of the Golden West, has started a spirited campaign for new members. The organization plans to secure 20 new members in the next few months.

It was rumored yesterday that all the ancient buildings of the Timothy Hopkins estate are to be demolished at once. Men are already cutting down the cypress and dead pine trees. Surveyors are at work on the property and it is said that 600 acres are to be subdivided and sold. It is understood the holding is the property of Mrs. Hopkins and not a part of the Timothy Hopkins estate so that it could be disposed of without a court order. Should the land be placed on the market and bridges constructed over the creek to Palo Alto, the lots would find ready sale.

Services during Lent in the Church of the Nativity will be held every Wednesday and Friday evening at 7:45 o'clock. At Trinity Episcopal Church services will take place every Wednesday afternoon. The rainfall to date has been 12.53 inches as against 10.39 inches at this time last year.

The lifeless body of Raymond Espinosa, 28, was found in a garage at Stanford Park Monday. From all appearances he was the victim of carbon monoxide poisoning, self-inflicted. Espinosa came from an old pioneer family whose history dates from the days of the missions.

On February 20 Junior Past Grand President Charles Koeing, paid an official visit to Menlo Park Parlor, Native Sons. A large

attendance was present to greet him. Many inspiring speeches were made. Following the meeting, an Italian dinner was served.

Menlo Park Parlor, Native Sons, will hold a card party in Central School auditorium Monday, March 9, at 8:15 o'clock. Score cards 25 cents.

Weeden Brothers were awarded the contract to remodel and build additions to the former Willis mansion on Amador avenue, Atherton. The present owner, Mr. Luis Fatjo, will bring his family here from Piedmont when the work is completed.

Mrs. Richards of Redwood City was awarded the highest score honors in the series of whist games Menlo Park American Legion held in the school auditorium. The series ended Tuesday night.

W. H. Weeden, George Murray, Charles Call, Frank Johnson and Al Alleanis attended a meeting of Mountain View Native Sons of the Golden West Wednesday night. The occasion was an official grand officers' night.

Woodside Sets 3-Day Household Demonstrations

First of a series of special household demonstrations to be given by the Good Housekeeping Store, 2336 Broadway, is underway at the Woodside school. The program continues today and Saturday from 1:30 to 4:30 p.m.

There will be special demonstrations by factory representatives of the following firms: Westinghouse refrigerators, Easy washers and ironers, Spark ranges, Mixmaster, Eureka vacuum sweeper and Philco radio.

Service Market, 2398 Broadway, is furnishing the foods for the demonstrations.

HOG MEN TO GET \$90,176

Hog raisers in San Mateo county will receive \$90,176.23 from the federal government this year as payment due under the corn-hog production adjustment contracts, according to the California Extension Service, Berkeley.

Joan Andrews' MENU OF THE WEEK

Are you tired of all the familiar salads and appetizers? Do you feel that you would just "give anything" for something a little different? Well, here it is. In today's Menu of the Week is something that can be used either as a hors d'oeuvre or as a salad. Stuffed dill pickles will delight the eye and the palate of all dill pickle fans. Use your favorite dressing with them. Here's the menu:

Stuffed dill pickles
Beef rolls in cream
Parsnips sauteed in butter
Charlotte Russe

To make stuffed dill pickles, cut big dills in half lengthwise, hollow out the centers, and fill the hollows with heaps of finely chopped egg yolk, egg white, capers, pickled beets, sardines or whatever your fancy dictates.

Here's the recipe for the beef rolls in cream:

Brown some chopped onions and parsley in plenty of butter. Add salt, pepper, some bread which has been soaked in milk and squeezed dry, some chopped mushrooms (if available) and some cream. Cut round steak into pieces half an inch thick and four inches long. Season the pieces and pound them with a meat mallet until they are thick and

Board to Send 4 South to Aid Santa Fe Plea

Third Peninsula Bus
Line Also Coming
Before State

FIREWORKS BAN

Supervisors Decide
To Restrict Use
Of Explosives

Santa Fe's application for a permit to operate a new stage line between San Francisco and Los Angeles in competition with Greyhound Monday won the support of the San Mateo County Board of Supervisors.

The board decided to send two of its members, Supervisors Albert Witt Jr., Colma, and Fred Beer, San Carlos, and District Attorney Gilbert Ferrell and County Engineer Urban Marshall to Los Angeles March 3 to assist the Santa Fe battle.

Witt, who proposed the trip and at first declined to go himself, saw the prospect of cheaper rates for bus and rail service in California if the Santa Fe wins its fight.

"We have been asleep in this county for too long," he said, "in allowing the state railroad commission to set rates and never raising our voice."

Witt also saw in the application of the Santa Fe an opportunity to assist a railroad subsidiary service seeking to enter the state and compete with the Southern Pacific, which, he recalled, put up strenuous and successful efforts to block the Western Pacific's entry of the peninsula.

THIRD LINE ALSO UP

Another proposed stage line between San Francisco and Los Angeles will also be presented, that of Tom Morgan, 1008 Trestle Glen road, Oakland, on behalf of the Pickwick Bus Service.

Also before the commission will be the application of Greyhound for a permit to operate a stage line between Barstow and Bakersfield in competition with Santa Fe. The Greyhound line is owned in part by Southern Pacific.

'BRAKES' ORDERED ON COUNTY FUNDS

Warning to departmental heads not to expend budgets to their full limits unless necessary was sounded by the board on motion of Supervisor Witt. The warning came notwithstanding the state's report last week that county finances were in a "healthy" condition.

"We must put the brakes on just the same to prevent any departmental head from going out and recklessly spending funds," Witt said.

Witt took occasion to remark that the healthy condition of the treasury was in conflict with "dire predictions" of the Civic League.

COUNTY ADOPTS FIREWORKS BAN

Declaring use of fireworks was dangerous and hazardous to buildings and crops, the board adopted an ordinance forbidding their use within the unincorporated areas. This is in keeping with a move launched by the Peninsula Fire Chiefs' Association and meeting with favor of most of the peninsula cities.

The ordinance provides that permits may be secured from the county for specific celebrations to be supervised by County Fire Warden Bert Werder and held in specified areas.

SELBY LANE STORM NEEDS DISCUSSED

On suggestion of Jack Reuter, the board referred the matter of constructing a sanitary storm sewer to County Engineer Marshall for a report.

Reuter said that some property along Selby Lane was under six to eight inches of water. The system feeds the Woodside road culvert.

Supervisor Witt moved, Supervisor Poole seconding, that a WPA project be made of this drainage system, if feasible.

OTHER MATTERS BEFORE BOARD

Other actions included: Approved \$128,000 Colma creek drainage project agreement; Filed application of L. J. Efford,

Sales Campaign Of Golden State To Use Papers

Consistent use of space in leading California newspapers will be a feature of Golden State 1936 advertising, according to M. I. Piers, who, with peninsula employees of the dairy company, Tuesday night participated in a telephone conference at which 1100 employees all over Northern California heard L. H. Wilson, president, and Nathan D. Danziger, advertising and sales promotion manager, disclose details of the new campaign.

"The company's plans are the most comprehensive of recent years," said Mr. Piers today. "While newspapers will be largely depended upon to carry our sales message, we will also make use of radio, with twice-weekly Joan Andrews Menu Flash programs, magazines, farm papers, and billboards."

Addressing company employees during the conference, Wilson, Golden State president, expressed the company's belief that 1936 would see further substantial increases in all lines of business.

Purchased \$2400 of W. G. Henshaw property and \$1332 of Spring Valley property at Thornton Beach for recreational uses.

Health Peril At Brisbane Told to WPA

Rains Damage Streets
And Sewers in Upper
Peninsula Town

With health of 2500 residents of Brisbane imperiled by lack of sewer facilities, County Engineer Urban S. Marshall today demanded of San Jose WPA authorities that they release funds temporarily held up there for the past several days.

Storms of the past two weeks have "washed out" most of Brisbane's dirt streets and have played havoc with the sewer system in the northend community, Marshall told William O. Eddy, district WPA manager.

Sewage is running in many of the public thoroughfares, he said, menacing the health of every resident in the town. Great holes have been opened in the streets so that many of the roads are nearly impassable.

Funds have been approved by federal authorities for two projects in the city, and have been sent to San Jose. There, according to Marshall, the funds have become stalled until Horatio Ormsby, construction engineer, can "check up on the priority or desirability of the projects."

Marshall charged the "checking up" had been done long ago; that the money to hire men to remedy the condition already had before the storm but now serious had supposedly been made available, and that he could see no reason for further delay.

One project calls for expenditure of \$38,492 in federal and \$18,854 in county funds to widen, grade and rock seven miles of streets and lay 1400 feet of 12-inch drain pipe to provide adequate drainage. For the other job \$36,252 in federal and \$1000 in county funds have been secured to trench and lay 12,500 feet of six-inch sewer pipe and construct 44 brick manholes.

Upon Marshall's demand action be taken within 24 hours in order to avert outbreak of a plague of disease, Eddy promised to send an engineer to Redwood City to discuss the situation with him at once.

P. O. Landscaping Bids Open March 4

Bids for planting of about 23,000 square feet of lawn and some shrubs at the new \$40,000 Jefferson avenue postoffice will be opened at 11 a. m. March 4 in the office of Postmaster Robert E. O'Connell Jr., it was announced today.

Plans and specifications for the planting may be seen in O'Connell's office.

Lawn will completely surround the building, including the rear yard, and hedges will be faced along the walls. An English thorny hedge will be placed to prevent persons from "cutting corners" across the lawn.

Witt Insists County Control Fiesta in Challenge to Foes

Supervisor Albert Witt Jr., Colma, which today filed a letter with the board revealing that its directorate unanimously opposed the change.

Witt declared opposition was premature since the jury's recommendation had not as yet been made officially. Jurors last night said it was not presented Monday "through an oversight."

He said he had never seen an accounting of last year's fiesta. He said he only knew that on two occasions the fiesta committee, announcing it faced a deficit, asked for and was granted county funds.

"I advocate putting the fiesta on an official basis with an official accounting of expenditures so the county can get a fair share of state funds," he concluded.

Narcotic Smuggling Into Jail Watched

Steps to eliminate smuggling of narcotics into San Francisco's jail in San Mateo county, a practice first disclosed in Judge Maxwell McNutt's superior court several months ago during trial of Edward Gleason, escaped prisoner, were taken today by Sheriff Daniel C. Murphy in San Francisco, aided by state and federal narcotic agents, the Associated Press reported.

An officer entering or leaving the jail were being inspected, with Sheriff Murphy attempting to apprehend "dealers" bringing narcotics into the place.

Globe Wireless Plans \$30,000 Radio Station

19 Will Get Positions At Newest Addition To Wireless Field

Bringing to the San Francisco peninsula one more wireless station to help make this district a "radio center of the West," Globe Wireless Tuesday announced plans to spend approximately \$30,000 on a new unit just off the Skyline boulevard near the new Half Moon Bay state highway.

The new station will receive all messages handled by the wireless firm, while the present unit at Mussel Rock, a mile and a half north of Salada Beach, will be maintained as a transmitting station, according to C. Pelmulder of San Francisco, general superintendent.

Construction of the unit will bring to eight the number of wireless stations flashing messages from the peninsula to all parts of the world, in addition to Radio Station KPO's huge broadcasting unit at Belmont.

Press Wireless has both receiving and sending stations in Daly

City; Mackay has a station near Palo Alto and one at Lobitas; Hearst Radio is fast completing one station near Redwood City on the Bayshore and another on Cal Hill Ridge on the Skyline, and Globe will have the two units.

The new Globe station will be located a mile and a half south of the Hearst Skyline station. Plans are now being drawn by Julia Morgan, architect, for the building. Bids are expected to be sought within two weeks, Manager Pelmulder told The Tribune.

The expansion was necessitated by the installation of high-power equipment at the coastside unit which would not allow the receiving station to be maintained at the same place, Pelmulder explained.

ON TORPEY PLACE

Consequently, 17.32 acres of land have been leased for the station from Mr. and Mrs. William H. Torpey and Katherine L. and Marie C. Torpey, their daughters, for

BUILDER

a period of seven years, with a renewal option. Amount involved in the lease was not disclosed. The property is on the west boundary of the Feliz rancho, almost directly west of Belmont.

To be erected will be a two-story frame building, Pelmulder said. On the first floor will be offices and equipment, while the second floor will be divided into two rooms. In one the "ship-to-shore" messages will be received. In the other trans-ocean messages will be taken. Globe maintains

service between the United States, Hawaii, Philippine Islands and Guam, according to Pelmulder.

19 MEN EMPLOYED

About 19 men, including two clerks, will be employed at the new "Skyline Station," as it will be called, Pelmulder said. In direct charge of the crew will be Fred Roebuck of Lomita Park, present station manager and chief operator at Mussel Rock. All of the employees are family men and will likely move from the north end of the county or San Francisco

farther south on the peninsula, Pelmulder believes.

Four operators will be kept at the coastside station. In explaining why his firm and others have selected the peninsula to build their units, Pelmulder said that it was necessary to have a certain amount of isolation; that climatic conditions were better; that locations with high hills in the vicinity must be avoided.

Raymond Espinosa Monoxide Victim

Identity of the man whose lifeless body was found in the garage of his home at 626 Cambridge street, Menlo Park, late Monday was established Tuesday as Raymond J. Espinosa, 28-year-old waiter, according to Coroner William Crosby.

Espinosa, who is believed to have taken his life in his automobile by monoxide poisoning

sometime Friday night, was reported to have been despondent over alleged domestic trouble and prospective ejection from his home.

At one time employed in the Stone Cellar, Atherton, Espinosa recently had been working in Mountain View.

Besides his wife, Mabel, now of Redwood City, Espinosa is survived by his parents, Mr. and Mrs. Walter Espinosa of Los Altos, and four brothers and sisters, Tony and Michael of Mountain View,

Walter J. of Santa Cruz and T. J. and Marie of San Francisco.

More than 99,000,000 people paid admission to see greyhound races in England during the last six years.

Lagomarsino Wins Alcatraz Freedom

Ray Lagomarsino, who 11 years ago was sentenced to 20 years in federal prison for robbing the Daly City postoffice, was ordered freed from Alcatraz prison Tuesday by Federal Judge Michael Roche on a writ of habeas corpus. U. S. Marshall George Vice said he would send a deputy out later today to serve the writ.

The Colma youth will be the first Alcatraz prisoner to leave the "devil's island" penitentiary on a court writ since it was turned over to the federal authorities.

Lagomarsino's petition was taken under submission yesterday by the judge, following arguments by the prisoner's attorney, Raymond J. O'Connor, that his client was sentenced on separate theft counts which should have been taken into account collectively.

No Mystery in Our Performance

We SAFEGWAY GROCERS are much too busy at our regular job to learn parlor tricks. You see, we're out to save you money on food. And there's positively no mystery about the way we do that. Safeway buyers, shippers, marketmen, home economists and grocers—all of us work together. This team of experts saves you money by bringing foods direct from farms and factories to you. It's no trick, just simple arithmetic.

ALICE GERTRUDE FOSTER,
Plaintiff, vs. GUY LESTER FOSTER,
Defendant.

Action brought in the Superior
Court of the State of California,
in and for the County of San
Mateo; and the complaint filed in
said County of San Mateo in the
office of the Clerk of said Superior
Court.

The People of the State of Cali-
fornia Send Greetings to:
GUY LESTER FOSTER,
Defendant.

You are hereby required to ap-
pear in an action brought again
you by the above named plaintiff,
in the Superior Court of the State
of California, in and for the County
of San Mateo, and answer the
complaint filed therein within ten

days (exclusive of the day of serv-
ice) after the service on you of
this Summons, if served within
said county, if served elsewhere
within thirty days.

And you are hereby notified that
if you fail to so appear and an-
swer, the plaintiff will take judg-
ment for any money or damages
demanded in the complaint as aris-
ing upon contract, or will apply to
the Court for any other relief de-
manded in the complaint.

Witness my hand and the Seal
of the Superior Court of the State
of California, in and for the County
of San Mateo, this 24th day of
October, A. D. 1935.

UNDERCOVER FUNDS HELD INSUFFICIENT

Ferrell Says Office
Handicapped; to Ask
More Next Year

When next year's budget is pre-
pared, Dist. Atty. Gilbert Ferrell
will seek sufficient funds to allow
him to hire undercover men to
ferret out gamblers so that such
situations as those now existing
and which resulted Tuesday in
the grand jury's calling on peace
officers to act may be avoided.

This was the official's announce-
ment today as he explained that
had such funds been available this
year action could have been taken
before now to eliminate the vice
dens reported flourishing in the
county.

"I would like to be in a posi-
tion where I could send out under-
cover men frequently for a check,"
he said. "This year our office was
given \$1500 for that purpose. But
this is insufficient. We spent \$400
investigating bingo alone, and an-
other \$500 on the Kathleen Robin-
son murder case."

"Just as a man who has only a
few cents can buy only coffee and
doughnuts, so can we do no more
than scratch the surface with the
funds set up."

Ferrell said the situation in Bur-
lingame where the police chief
can go frequently to his city coun-
cil and get special investigation
funds was "ideal."

"Suppose we had a shooting or
a murder," Ferrell said, "and our
patrol fund is used up. Then what
can we do for investigators?"
Although the grand jury was
allowed \$5000 for investigation, it
cannot be used by the district at-
torney.

Apparently resentful of this han-
dling of the inquiry fund, Ferrell
asserted he believed his office was
"in a better position to get infor-
mation as we have many tips
turned in here, we know what
should be investigated, and we are
on the job for several years, while
the jury is only a temporary body,
in session only a year."

'Funny Man' Fails To Laugh at Fine

MENLO PARK, Feb. 26.—Win-
stead ("Doodles") Weaver, popular
undergraduate Stanford dramatics
"funny man" during the past few
years, failed to see the joke when
he appeared here before Police
Judge Edward J. Ryan, for Judge
Ryan fined him \$50 and suspended
his license for 60 days for reckless
driving. Weaver appeared in night
court Monday.

SAVINGS URGED IN PARK FUNDS

Jurors Ask Money
Be Used for Actual
Property Purchase

While denying their suggestion
was a direct criticism of the work
of Right-of-Way Agent Giles B.
Johnson, grand jurors in a new
move Tuesday, made in a ses-
sion following the conference with
peace officers, decided to urge the
supervisors to "conserve for the
purchase of parks and recreation
areas" the funds set up in the
budget for that purpose.

Johnson, they pointed out, has
received almost \$1,500 salary since
his appointment last year as of-
ficial agent of the planning and re-
creation commissions and super-
visors in their purchase of recre-
ational areas. Johnson receives \$10
a day for the time he puts in.

As yet not a great deal has been
received from this expenditure, ju-
rors said they felt. They declared,
however, that although much of
Johnson's work had not produced
tangible results, they felt "that a
lot will come out of it in the fu-
ture."

The recommendation, spokesmen
said, was only to "make the funds
go as far as possible."

Members of the committee draft-
ing the recommendation were Mrs.
Grace Talmadge, Mrs. Charlotte
Holbrook, Mrs. Loretta Miller and
A. J. Cagger. It was unanimously
adopted.

The county for the past two
years has budgeted \$10,000 for pur-
chase of beach and park lands for
public parks.

Although the jury questioned
Architect Thomas Edwards about
the Brisbane school, which has
been under investigation, the in-
surgents announced that not for
another week would the inquiry be
complete.

Speaking for Mrs. Esther Berg,

chairman of the committee prob-
ing affairs of the Visitation dis-
trict, Juror E. A. Weisenburger de-
clared that next Tuesday night the
investigation would be wound up.
Jurors are endeavoring to learn if
too much was paid for the site of
the new \$40,000 school, and if W.
J. Jonas, husband of one of the
school board members, received a
commission from the transaction.
The jurors said they also
heard routine reports from their

sanitation and social welfare com-
mittees.
Joseph G. Walker of South San
Francisco, temporarily filling the
post of welfare superintendent vac-
ated when Mrs. Ellen Biber was
removed, is understood to be slated
to fill the job permanently. No
official announcement has yet been
made to this effect, however.

Two Fridays fall on the 13th of
the month in 1936, in March and
November.

EXTENSION DECISION DUE
Following a conference with sev-
en San Mateo residents favoring ex-
tension of Ellsworth avenue there
through a school ground, Miss
Pansy Jewett Abbott, school super-
intendent, said here today her de-
cision as to whether to allow the
extension probably would not be
forthcoming for several days.
School code leaves decision in
such matters entirely up to the
school superintendent.
